Productivity Through the Chaos

CREATING DAILY HABITS THAT MATTER

Leadership doesn't happen tomorrow at noon, it happens today...in every moment, situation, and scenario. I invite you to be part of an energetic, yet practical and implementable session that is scenario-based. Lisa introduces a simple three-step process for productivity through the chaos. She uses specific examples... some funny... some moving... some inspiring... so the audience will leave with powerful (and executable) strategies to apply immediately.

What is Your Engagement Score?

CREATING MICHELIN STAR EXPERIENCES AND RESULTS FOR YOUR TEAM ☆☆☆

As leaders and entrepreneurs, we oftentimes forget, that WE happen to our teams and not the other way around. What do you want your team look like? To act like? To feel like? Our ability to create experiences and influence team engagement, affects our ability to produce results. Through interactive dialogue, exercises, and a point-system, Lisa leads teams through a self-discovery exercise to evaluate whether they are creating daily engaging experiences and to identify gaps in connection, culture, and productivity. Walk away with, experiences worth having and strategies to increase engagement and corporate morale.
