Training and Educating Adults for a Career in Healthcare

APPRENTICESHIP PROGRAM

Broadlawns Medical Center is proud to offer a paid apprenticeship opportunity for adults who are interested in pursuing a career in healthcare. Participants will be introduced to Broadlawns' work culture, career paths and complete a CNA (Certified Nursing Assistant) training provided by DMACC.

NEXT CLASS January 3 – March 26, 2025

Generally Monday through Friday, 8:00 am to 4:00 pm. Attendance at each class is required for program completion. Applicants must be 18 years of age or older. Application opens Nov. 1, 2024.
